

THE HPV FREE COmmunity

AN ADVOCACY GROUP OF THE ALLIANCE FOR HPV FREE COLORADO

Did you know?
HPV can cause cervical,
oropharyngeal, and
other cancers in men
and women

Are you a

→ **PARENT?**

→ **HPV-RELATED CANCER
SURVIVOR?**

→ **FAMILY OR FRIEND OF SOMEONE
WHO HAS EXPERIENCED HPV-
RELATED CANCERS?**

**Speak up for the cancer-
preventing power of the
HPV vaccine!**

The Alliance for HPV Free Colorado is currently seeking **parents of children and adolescents** and **community members who have experience with HPV-related cancer** to join a community advocacy group—The HPV Free COmmunity—and speak up for the HPV vaccine and its power to prevent many cancers in both men and women!
